The transaction finalized by Gentili Mosconi, under the guidance of CEO and Founder Francesco Gentili, is part of the expansion strategy laid out with the listing, with the goal of creating synergies aimed at structural growth and bundling of skills, know-how and innovation in the manufacturing process, while maintaining the DNA of each company involved, in order to preserve the entrepreneurship, the professionalism and the historical tradition of craftsmanship of the Como area.

*"I am very proud and satisfied with this operation", says **Roberto Lucini, CEO of Creazioni Digitali.***
"We welcome with enthusiasm such a valuable partner like Gentili Mosconi, an entry in the capital

in the sign of continuity with what have always been the values of Creazioni Digitali: innovation, sustainability and attention to detail. A plus not only for our company but for the entire district”.
